Gave an update on the community meeting being held in other neighborhoods regarding the Purple Line TNP. As with our neighborhood, these other communities were unaware of the upzoning efforts.

Discussed using the DOT app to report traffic issues. Once an issue has been reported, send an email to Rob Fisher with the report number so he can follow up.

Frank Rosato continues to be involved with CERT training and suggests others take the training to be prepared in the event that a natural disaster occurs.

Range Rover is now using the property at 400 S. La Brea to store vehicles and will begin construction in Spring/Summer 2019.
