The meeting was held via Jit.si video conferencing and was called to order at 7:40 pm.

The following items were discussed:

- **State Housing Bills** – Per usual the bills are hard to understand and don't contain details about the impact on neighborhoods such as La Brea Hancock. Within the GWNC most of the new construction is happening near Wilshire & Western.
- **Protests & Pandemic** – Due to the recent protests there has been discussion around re-directing some of the LAPD budget to other agencies. The LAPD spends upwards of 70% of their time dealing with issues related to the homeless population. They are not trained social workers. Since some of the protests were close to our neighborhood, an app called BAND was discussed for private neighborhood communication. Contact neighborhoodwatch@labreahancock.com if you would like to join the BAND network for La Brea Hancock.
- **President's Report** – Homeless count went up.

The meeting was adjourned at 8:30 +/- pm.
